A **food pantry** is a community food resource. Food pantries can be churches or non-profit organizations. They receive food from the Food Bank to be distributed directly to members of the community. When you get food at a food pantry, you do not have to pay because food pantries provide a limited amount of food to individuals and families facing food emergencies.

For other resources or other areas:

Dial "211" for the UNITED WAY Helpline –A FREE CALL. United Way 2-1-1 is a single source for information about community services and for referrals to health and human service programs. Call 2-1-1 throughout most of the Triangle (Chatham, Durham, Orange and Wake counties) 24 hours a day, 365 days a year to get connected. Bilingual caseworkers are available during regular business hours. **When calling from a cellular phone dial 1-800-892-1162.**

For information about food resources in other counties, please call the Food Bank at 919-56-2513, ext. 2103 or visit www.foodbankcenc.org.

Please call to confirm hours of operation.
